

MEMORYPOWER

FOR ACADEMIC SUCCESS

Remembering is vital, training your brain "how" to make memories is all that's required.

Learn Scott Bornstein's five MemoryPower principles that produce lightening-fast recall. Experience breathtaking improvement in your memory for facts, vocabulary, numerical data, names & faces, languages, formulas, technical, scientific or other challenging subject matter. Take unforgettable notes, read faster with better comprehension, facilitate collaboration, and unlock the secrets to higher standardized test scores and grades.

- Discover the techniques that eliminate overlearning and under-performing
- Reduce study time, and increase self-confidence and concentration
- Understand how your brain learns best
- Harness your MemoryPower ability, and re-wire your brain to love learning ... so you can get better results fast!

Here's what you'll learn and accomplish in this fun, power-packed, skills-intensive, interactive and example-rich 3.0 hour program:

PART I

MemoryPower Basics for Student & Academic Success

- 1) How Your Memory Works Best
- 2) The Power of 4 ... 6 Steps to Perfect Recall
- 3) Critical Thinking Skills & Vocabulary Mastery System
- 4) Bornstein's MemoryPower Basics for Rapid and Precise Recall

PART II

Advanced MemoryPower Systems for Long-Term Recall

- 5) Advanced MemoryPower Tools & Creating Systems on Demand
- 6) Mind-Mapping MemoryPower: Take Notes You Will Never Forget
- 7) The Game Plan & Best-Practices: Scott's 10 Day Schedule to a Lifetime of MemoryPower Success

- Increase your MemoryPower 400% in 30 minutes and train your brain for life ...
Feel smarter right away as you take control of information with ease.
- Develop a "fail-proof" memory & total self-confidence when pressured to perform ...
Scott's systems give you 5 different ways to remember and learn anything!
- Expert strategies cut learning time, saving hundreds of hours a year ...
Scott's methods are proven, effective and get results that last!
- Learn a precise system of thinking, learning & remembering you can use immediately!
Enables you to master information that matters most to you right now.
- Build your expertise step-by-step – dramatically increase what you can learn by 600%
Each exercise systematically trains your brain to make information unforgettable!

* Parents of younger children welcome!

"When Tanye came home after her first class with you in February, she could not stop talking about you and what she had learned. I almost cried. This is the first time she had EVER been excited about school or a teacher. She said that if every teacher taught like you, then everybody would pass every class, every test. THANK YOU."

Cynthia Weiler, Mother
